My Best Time In Football

Retiring secretary Harold Rumsey

Twenty-seven years of being active in League football – great and enjoyable times!!

For a young lad supporting Hereford United in their first year in the Southern League (the player manager was Eric Keen formerly of Derby County). They were exciting times in Hereford.

After the War I became a season ticket holder, and in the 1960's I joined the Board as a Director – obviously something I had not dreamed about in 1938.

My interest in soccer became an obsession, and in 1968 I became a partner with Charles Harrold – who until then had been Jimmy Hill's right hand man at Coventry City. I became commercial consultant at Sunderland setting up a new commercial department and my partner did the same thing at Wolverhampton Wanderers. Within a few months I had two more clubs, Manchester City and Aston Villa. I commuted between the three clubs each week. That was my baptism into the commercial side of League football. Looking back on it I dealt with nineteen clubs.

I've been lucky enough to have been with the League Champions, FA Cup Winners, League Cup Winners, European Cup Winner's Cup Winners and two promotion sides. **But, I must say that of all the clubs, my time at Gillingham has been special – a family club – great supporters – all wishing, and working for success, how close we were during the memorable plays-**

offs – just a few minutes away from Division Two. I would have loved to have seen the Gills on the way up, as I am sure the club will do under Keith Burkinshaw, a great man to work with.

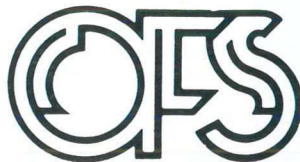

After all the traumas at the club over the last three years, I would like to thank Roy Wood, Lord Sondes and Ron Welham for giving me the opportunity to be club secretary – a new field for me – and helping them in difficult times during which they put so much time and money in to keep the club afloat. No club should have been put into such a position and I am pleased to say that the bulk of these problems are behind us, and that the club can go forward with chairman Martin Lukehurst and financial director Phil Giles (who still has a very difficult job to do).

I trust that all supporters will give my successor Barry Bright all the help and encouragement possible and that Kay Carver will also get your support to raise the finances the club so badly needs.

To the directors, staff, players and supporters I say thank you for the best times I have spent in Football.

Fry – Bill Cooks Up Answer!

Viewers of BBC TV's Question of Sport last Tuesday will have seen team captain Bill Beaumont pull the name of our former goalkeeper David Fry out of the air to score 8 from a possible 9 points in the one minute round.

The question was as follows: All of these sports persons names are ways of cooking food?

Those of you who were watching were surely reminded of David's memorable performance of the 1984-85 season when on Saturday March 2nd he turned in a faultless display that did much to earn Gills a point in the top of the table clash with Bradford City.

To remind you of the game – that featured on BBC's Match of the Day – Gills who were second in Division Three took a tenth minute lead through substitute Dave Shearer who had replaced John Leslie. Bradford City equalized through Bobby Campbell after 62 minutes.

David is now plying his trade with south London outfit Fisher Athletic of the GM Vauxhall Conference.

Sherpa Van Trophy Up-Date

Although attendances in the Area Semi-Finals of the Sherpa Van Trophy showed a slight decrease this year, gates for the competition

so far are still up by 5.5% – 230,073 from 76 matches, compared with 218,034 last year.

Holders, Wolverhampton Wanderers, are favourites to retain the Trophy, following their 2-0 win at Hereford United in the Area Semi-Finals. Last week's draw for the Area Finals to decide home and away sequencing over the two legs resulted as follows:-

Northern Section: Bolton Wanderers v. Blackpool
Southern Section: Torquay United v. Wolverhampton Wanderers

Ties to be played over two legs during weeks commencing 10th April, 1989, and 17th April, 1989.

Guardian poll shows marked decrease in support for I.D. Cards

Public support for compulsory identity cards for football supporters has dropped substantially according to an I.C.M. poll commissioned by The Guardian. Only 52 per cent now support the Government's proposal compared with 80 per cent, last October.

Significantly, more men are now opposed to I.D. cards than are in favour of the proposals – the ladies seem to be letting the side down again!

The Electronic Age for Football?

When will football in this country move forward into the electronic age? Surely we can join other sports like athletics and take advantage of electronic aids which reduce the chances of error made by officials trying to referee.

Two factors which really never cease to amaze me with regard to soccer are problems with timing the game and was it a goal? Or was it a penalty?

Problems

Both issues cause a lot of problems for referees, players and spectators alike. Only last week I watched a youth match where the visiting supporters were on the point of attacking the referee for playing three minutes "over time" in a game which was lost in that three minute period. The neutrals there at the match were aware that the referee was merely adding on the usual injury time for normal stoppages but how much easier for the referee

if an electronic timer off the pitch was being used to show exactly how much time remained to be played. In the event of players wasting time the referee could easily indicate to his time-keeper off the field that a half minute or a whole minute should be added. But how much better for all, when the final whistle in crucial games comes from a neutral time-keeper away from the action as already practised in Rugby League.

Action Replays

And how easy to re-run the video recording of the penalty area incidents in the situations of was it a goal? Or was it a penalty? Remember the arguments following the Arsenal "goal" at Millwall. Well what about the argument which might have followed our game at Craven Cottage about the David Smith "penalty" and the Gavin Peacock headed "goal"? Just imagine if that game had decided a championship or relegation issue and those

decisions had affected the results of such crucial games. The time has come for the action replay so that the referee and linesmen have a chance to review such crucial decisions. It is not that such decisions happen only once a season. I am sure our regular supporters will remember Bristol City (away), Bolton (away), Chesterfield (away), Peterborough (home) as games which included similarly highly debatable decisions. Let's hope we get none tonight!

Welcome

Welcome to our guests from Bolton. I hope they have a pleasant visit to Kent and safe return journey to Lancashire.

1924: Saturday 5 April

Two goals from Tommy Hall and one by Joe North helped Gillingham to a 3-2 home success over Southend in Division Three (South).

1931: Saturday 4 April

Having been beaten 5-3 at home by Exeter the previous day, Gills redressed the balance by bringing home the spoils from a 2-1 win at Coventry. Scotsman William White and Chatham-born centre-forward George Pateman accounted for the goals.

1939: Friday 7 April

Gillingham went down 2-1 at Bath City in the Southern League, but Harry Rowley extended his astonishing scoring sequence to 23 goals in 13 games.

1950: Saturday 7 April

Gills' hopes of winning the Southern League for a third time in the post war years had long evaporated, but they nevertheless attracted a useful gate of 9,233 for the game against mid-table Weymouth. The encounter finished as a 1-1 draw with Jackie Briggs scoring for Gillingham.

1958: Saturday 5 April

Already doomed to the newly formed Fourth Division, Gills

ended a sequence of five defeats in a row by registering successive victories over Easter. They beat Southend 2-0 on Good Friday (Bob Taylor, Jimmy Fletcher) and on this day went one better by sending Walsall to a 3-0 reverse at Priestfield. Ron Saunders, Taylor and an own goal did the damage.

1963: Saturday 6 April

Despite leading at half time through Bob Ridley, Gillingham slipped to a 3-2 home defeat by Barrow. They were not to be beaten again at Priestfield for another two years. Jim Towers netted the other goal.

1964: Wednesday 8 April

Denis Hunt (penalty), Mike Burgess and Ridley kept Gills on course for promotion from the Fourth Division by providing a 3-1 win against Barrow. The match attracted an audience of 11,583 to Priestfield.

1974: Saturday 6 April

Fullback Keith Lindsey took over in goal at Workington after Mike Gibson had dislocated his shoulder. Gills picked up a valuable point from a 3-3 draw through Damien Richardson (2) and George Jacks.

1976: Tuesday 6 April

Gills were poised to topple Third Division leaders Hereford when they changed round 2-1 ahead. But the visitors hit back in the second half to win 4-3. Joe Durrell (2) and an own goal accounted for Gillingham's three.

1983: Saturday 9 April

Steve Bruce scored from the penalty spot and was later carried off with a broken leg in a bad tempered match against Newport County. Mark Weatherly was the other scorer in a 2-0 win.

1987: Saturday 4 April

By a strange coincidence, on an afternoon when it rained from start to finish, the referee was P. Don! Despite the awful weather, Karl Elsey and Tony Cascarino guided the club to a 2-1 win over Doncaster Rovers.

MATCH REPORT

Gillingham 2 Wigan Athletic 1
Division 3 – 24 March 1989

Gills were a goal down and facing yet another home defeat at half time, and to be perfectly honest it would have been a just result on the showing from that first 45 minutes.

Visitors Wigan were doing their own relegation battle no harm at all as they led through a second minute goal by Griffiths.

But Manager Keith Burkinshaw changed the complexion of the game when he introduced Gavin Peacock to the fray within five minutes of the second half starting. Along with veteran goalkeeper Ron Hillyard – who made two superb saves at vital times – Peacock gained the hero's accolade.

He scored what proved to be the winning goal from a freekick and was instrumental in most of Gills moves in a second period that saw some of our old confidence come flooding back.

Gills equalizing goal came from a quality move. Tim O'Shea was on hand when a Peacock through ball was cut out. He played a perfect ball inside the Wigan full back, and David Smith got to the line.

He produced a quality cross to the far post and Pat Gavin headed smartly past Hughes, from a narrow angle, to register his third goal in as many games.

The relief at the end was almost audible and at last everyone connected with the Gills had something to smile about in 1989.

Fulham 1 Gillingham 2
Division 3 – 27 March 1989

Gills, to the delight of their travelling fans, produced probably their best display since Keith Burkinshaw took over as manager at Fulham on Easter Monday.

Gavin Peacock continued from where he left off against Wigan and scored both goals, the equalizer after 71 minutes and the winner eight minutes later, to dent Fulham's hopes of making the promotion play-offs.

In fact Fills supporters were convinced that he had registered a hat-trick.

For they – unlike the match officials – were ideally placed to see that

Fulham goalkeeper Laurence Batty dragged the midfielder's 59th minute header back from behind the line.

That one didn't count, but the other two did and that was enough to wipe-out Fulham's lead given to them by John Marshall after 63 minutes and take Peacock's haul to eight for the season.

The glory of victory, however, was tempered by an injury to Linden Guscott.

He came on as substitute in the 68th minute and nine minutes later was carried off with a broken leg. There was no malice involved, for the unfortunate Guscott sustained the injury in making a tackle on Michael Cole.

That was the only sad part to an afternoon of excellent entertainment.

10 Years Ago

Gillingham's promotion hopes suffered a blow with an only goal defeat at Carlisle on Saturday 7 April 1979.

Missing Damien Richardson and Buster Crabbe (both injured) and Danny Westwood (suspended) they were unable to recover from a 51st minute lead given United by David Kemp.

Having played relatively well beforehand, Gills were unable to reproduce similar form in the time that remained and created only one real chance to equalize.

That came in stoppage time when Billy Hughes pulled the ball back for Tony Funnell – signed from Southampton for £40,000 – to get in a shot which was well-saved by Swinburne.

Carlisle had missed a number of good chances to increase their lead while Ron Hillyard pulled off a number of good saves to keep the score as it was. Gills returned to winning ways by beating Walsall, 3-1, at Priestfield on the following Tuesday.

Leading through a 26th minute penalty converted by Dean White, they turned on the style at the start of the second half and went two up through Ken Price.

A sliced clearance gave Dave Syrett the opportunity to pull one back, before Price ran on to an excellent pass from Westwood to complete the scoring in the last minute.

SUPPORTERS CLUB

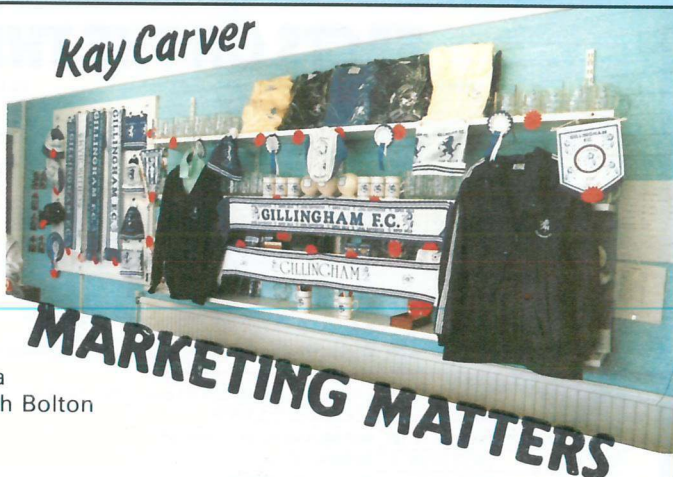

Good Evening and welcome to tonight's game against the team from Burnden Park – Bolton Wanderers.

Having written in my last notes about the success the Youth teams have had this season, it would now appear that some of this is rubbing off on the First team. At the time of writing, after the Easter break, the Gills have just achieved two excellent wins in the league, at home to Wigan and away to Fulham. This is the first consecutive winning sequence in the league since last September, and we can only hope that this form will be maintained. Prior to these results Keith Burkinshaw had sounded rather despondent when being interviewed on the radio and commenting on the teams performances. But we can now see that Keith's policy – albeit enforced in some cases by injuries – of bleeding new young players, together with a return to form of some of our more experienced players, is starting to pay off. Well done Keith and the lads, keep it up!

All our sales shops will be open tonight, so come along and see what programmes and souvenirs etc are for sale – help us to help the club when you buy!

Kay Carver

Welcome everyone to what we hope will be a very exciting game with Bolton Wanderers.

On the commercial front, we are very excited about the new scheme we are organising to give all our supporters the chance to help their club and hopefully to win a big cash prize in the process.

We are forming the **Blue Bond Club** weekday draw and discount club which offers you seven chances to win £100 every week day of the year, local retailers in the Medway area have given **Blue Bond Club** members substantial discounts on production of their **Blue Bond Club** membership card.

All you need to do to join is complete the leaflet that has been handed to you at the turnstile today and return it to us here at the club, we will post to your home your membership card and numbers for the first draw. Results will appear in the Evening Post nightly and newsagents will be issued with result sheets. The first draw will take place on the 5th May 1989, and will be held in public, in newsagents shop's throughout the area, weekly thereafter.

All this for only **50p per week** for which you receive seven chances each weekday to win £100.

So why not join us in providing the support the club and Keith need.

Amid all the good things happening in the youth section we had the tragic accident when Linden Guscott broke his leg at Fulham.

As was mentioned in Saturday's programme we wish Linden all the best for a quick recovery. With the kind of form he has been showing in both the first and youth teams we need him back as soon as possible.

We have had a number of trialists here during the Easter holidays - obviously we hope that we can discover some more potential first team players for the future. **Damien Richardson**

THE CARING FACE OF FOOTBALL

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

This year, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. 1989 will see further initiatives including new and better toilet facilities and additional enclosures for family support.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives £4.5 million from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers and spends it on schemes to improve standards at British football stadia.

Remember a pint of Best. Courage do.
